

REPOSADO

TASTING NOTES:

EYE: Golden tones, from gold to a light amber, crystalline and bright, unctuous and firm body with long legs, smooth and slow fall.

NOSE: Smooth non-alcoholic with notable presence of wood from the barrel, with light notes of vanilla, caramel, light tones of cinnamon, cooked agave and agave honey.

TASTE: Very smooth on entry, perfect and pleasant combination of woods, toasted caramel and a touch of sweet vanilla, with a medium aftertaste of dried fruit flavors such as nuts, toasted almonds and very light notes of vanilla sweetness with hints of cooked agave at the end; this leaves a fine and completely comforting bouquet in the mouth.
